

**REMARKS**

Please replace the sequence disclosures on pages 46, 47, and 49 with the enclosed replacement sequence disclosure containing SEQ ID No. identifier information. This amendment does not introduce new subject matter as support is found in the application as filed.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

No fees are believed to be due with the filing of the Sequence Listing. However, the Commissioner is hereby authorized to debit Deposit Account No. 08-0219 for any required fee necessary to maintain the pendency of this application.

Respectfully submitted,
